Financial Policy

Payment: As a patient of this office you are directly responsible for payment of all charges incurred while under treatment unless you are eligible for insurance reimbursement with an insurance carrier the doctors have contracted with. Payments are due when services are rendered, supplies are received, or laboratory tests are ordered. If the doctor is contracted with your insurance carrier, all deductibles, co-pays and balances that are the patient's responsibility are due at the time of service. Accepted methods of payments are: personal checks, debit and credit Visa and Master cards, and cash.

Insurance: If the doctor is contracted with your insurance carrier we will bill your insurance directly. We will make every effort to determine benefits and eligibility prior to treatment. What we are told by your insurance carrier will govern how we determine your liability. We are not responsible for payment discrepancies that might occur once the reimbursement check is received. It is the patient's responsibility to keep tract of their deductible, maximum benefit, or other liabilities specific to their plan's coverage. If you are not covered by one of our contracted carriers and think that your insurance will cover naturopathic care, at your request we will provide you with an insurance billing form that you can submit to receive payment from your insurance company. (Weight Loss Programs are not covered by insurance.)

Senior Discount: A 10% discount on service (out-source lab, medications received from our dispensary and weight loss programs are not included) will be given to our patients who are age 65 or over. Due to State and Federal regulations, we cannot process medical coupons and Medicare/Medicaid claims.

Cancellations: Please give us at least 24 hours advance notice of your inability to keep an appointment. If less than 24 hours notice is received the amount of the scheduled visit will be charged (except in emergencies).

Late Fee: Accounts over ninety (90) days outstanding are overdue and may be acted on for collection. Collection costs are added to your account. A late fee of $1.50 or 1.0% of the balance per month, whichever is greater, is charged on overdue accounts. There is a $10.00 charge for returned checks and payment is due in the amount of the check plus the returned check fee within ten (10) working days.

Authorization for Treatment

I, the undersigned, hereby acknowledge that the care being provided at the Holistic Health Clinic is designed to improve my health or condition. I authorize the doctor to perform diagnostic tests deemed necessary for my care, to perform any and all forms of treatment, to include medication, and therapy that are indicated and that I am in agreement with and are in accordance with the Standards of Naturopathic Care. If procedures are performed, I have given my permission to do so and acknowledge that full disclosure of information has been made. I understand that every effort will be made by the office to fully disclose information about the procedures used. If I have questions about these procedures I will ask them until they are answered to my full satisfaction. I further acknowledge that there is no guarantee or warrantee, expressed or implied, concerning the outcome of any of the procedures used in the course of my care.

If while under the doctor's care I experience a medical emergency, I am to dial 911. If I have a medical concern I am to phone the office to report. If my concern occurs during after hours I will phone the office where instructions on how to contact the doctor can be obtained on the after hours message prompts.

I understand and agree to the above ***Financial Policy*** and ***Authorization for Treatment***. I will abide by its terms.
