

Fee Schedule

First Office Visits:

This appointment is designed to address a specific urgent health concern whether it is an illness or an injury or to address non-urgent health concerns which are often complex and long standing. The doctor's resident will start your appointment. The visit with the doctor will focus on a review of your current and past medical history, your health goals, and an orientation to care options at the Holistic Health Clinic. A preliminary treatment plan will be initiated.

\$205.00 Cash / Ins. Billed \$205.00 – \$260.00

Return Office Visits:

These visits are designed to build a customized treatment plan, to evaluate progress and/or to make corrections in your current plan as you move towards resolution of your health concerns. To make the most effective use of your time with the doctor, please have a list of your questions regarding your care prepared prior to your visit. The doctor's resident will begin your appointment. You will be asked to complete the "Patient Communicator" so that you and the doctor have a clear understanding of the nature of your visit. The time spent with the doctor at these visits run 20-40 minutes. Occasionally a shorter appointment is indicated and the fee will be adjusted accordingly.

Appointment less than 25 minutes - \$55.00 - \$88.00

Appointment greater than 25 minutes - \$134.00 - \$180.00

Urgent Care Appointments:

We provide our patients with same day appointments for urgent/acute concerns. To assist us in your care, please call early in the day so that we can find the most suitable time that day to assist you. If you are experiencing a medical emergency, dial 911. For urgent concerns after hours, you can page the doctor on call for a fee (see below).

Billed Same as Return Office Visits

Phone Calls During Business Hours:

There is no charge for brief calls requesting clarification of current treatment plan that can be answered by the doctor via the support staff during regular business hours. There will be a charge if new concerns are brought up requiring the doctor to assess and treat or if you require the doctor to directly discuss your treatment plan. The charge time is based on the time spent in consultation and the doctor's time required to respond. "Respond" time includes the time spent writing correspondence, preparing pharmacy, completing chart notes, creating a treatment plan, etc.

Less than 15 minutes of doctor time – \$55.00

15-25 minutes of doctor time – \$88.00

Greater than 25 minutes is charged at the same rate as Return Office Visits

(Phone calls are not covered by insurance plans)

Phone Calls Outside of Business Hours:

If you are experiencing a medical emergency, dial 911. If you are experiencing a medical "urgency" and must speak to a doctor after hours, call 253-207-0076 and enter your 10 digit phone number to page the doctor on call. Calls outside of business hours are charged at the following rate plus \$30.00. The charge time is based on the time spent in consultation and the doctor's time required to respond. "Respond" time includes the time spent writing correspondence, preparing pharmacy, completing chart notes, creating a treatment plan, etc.

Less than 15 minutes of doctor time – \$55.00 plus \$30.00

15-25 minutes of doctor time – \$88.00 plus \$30.00

Greater than 25 minutes is charged at the same rate as Return Office Visits plus \$30.00
